

CV

My passion is works on paper that focus on examining *who we are as human beings, what we feel, what we do, and what is important to us* as individuals and groups. Working with photographic resources, I explore narratives in series that can stimulate a conversation in the minds of viewers—or even generate actions by the observer—that can and will make a difference.

FACTS

Born in Alexandria, Virginia

Has lived in Alexandria, Virginia; Rockville, Wheaton, and Silver Spring, Maryland; Lynbrook and Merrick, Long Island, New York; Miami Beach, Florida; Houston, Texas;
